The Verdict Page

This book's readiness rule, not Anthropic's:

Your mock total	The band	What it means
52 or more of 60	**Go**	Sit it on your date.
44 to 51	**Close**	Fix your two weakest domains tonight, then sit it.
Under 44	**Move the date**	Move it a week, if you still can, and spend the week on your two weakest domains.

Lucky guesses count as right. Go back to the questions you marked as unsettled while you sat it. Every one you got right is a miss you have not found yet. This book's rule: if you had more than 5 of those, take 2 or 3 points off your total before you read the band.

1. **Find your total in the band table above:** go, close or move the date. Write the band in capitals.

   Mock: ___ / 60 in ___ min · **Band:** _____

2. **Write your 7 domain scores beside their 75% lines,** and mark each domain that is under its line, with how many questions under.

Domain	Questions	75% line	Your score	Under by
D2 Output Evaluation and Validation	13	10	_____	_____
D4 Workflow Integration and Solution Design	10	8	_____	_____
D6 Governance, Risk, and Responsible Use	9	7	_____	_____
D1 Prompting and Task Execution	8	6	_____	_____
D3 Product and Model Selection	7	6	_____	_____
D5 Configuration and Knowledge Management	7	6	_____	_____
D7 Troubleshooting and Optimization	6	5	_____	_____

When you choose your two weakest domains, count how far each is below its line in questions, not in percentages. If two domains tie, take the heavier one first: Domain 2, then 4, then 6, then 1, 3, 5, 7.

3. **Write your fix-first list:** at most two domains, furthest under first, heavier first on a tie.

   Fix-first: _____ , _____

4. **Write the date:** your booked date if the band is go or close, or the new date if you moved it. If you moved it, write the date and time you did it, and confirm it was at least 48 hours before the old appointment.

   Date: _____ at _____ · If you moved it: _____ at _____

   You can reschedule only up to 48 hours before your appointment. Inside 48 hours, the date is fixed.

5. **Write tonight's work** in one line: which pages, which recall prompts, which explanations.

   Tonight: _____

DELIVERABLE: The go line, written: your band, your date (booked or moved) and your fix-first list, on the front page of your cram sheet.

Here is one filled verdict line, as an illustration of the shape, not a prediction:

> **Mock: 47 / 60 · 1 h 54 min. Band: CLOSE. Fix-first: D2 (8 of 13, line 10) · D6 (5 of 9, line 7). Tonight: D2 and D6 pages, 10 recall prompts, 9 explanations. Exam: Thursday 9:00, as booked.**

Crash Course, Chapter 9.
