Where to Go Deeper

One table for every gap. "Your page" is the chapter where you wrote it in this book. The *Claude Certified Associate Foundations Playbook* teaches each domain in full; the *Practice Questions* book drills it and has six full mocks for more sittings.

Domain or topic	Your page	Playbook chapter	*Practice Questions* set
D2 Output Evaluation and Validation	Chapter 4	Chapter 7, "Catch What Claude Made Up Before You Send It On"	Chapter 4
D4 Workflow Integration and Solution Design	Chapter 5	Chapter 9, "Decide What Goes to Claude, and Who Signs It Off"	Chapter 5
D6 Governance, Risk, and Responsible Use	Chapter 5	Chapter 9	Chapter 5
D1 Prompting and Task Execution	Chapter 6	Chapter 6, "Brief It So It Lands, Fix It When It Doesn't"	Chapter 6
D3 Product and Model Selection	Chapter 6	Chapter 8, "Haiku, Sonnet or Opus, and Which Part of Claude to Open"	Chapter 7
D5 Configuration and Knowledge Management	Chapter 6	Chapter 5, "Build the Claude Project That Studies With You"	Chapter 7
D7 Troubleshooting and Optimization	Chapter 6	Chapter 6	Chapter 6
Booking and eligibility	Chapter 2	Chapter 2, "Get In, Get Booked, Get the Date on Your Calendar"	Chapter 2
Exam day	Chapter 10	Chapter 11, "Exam Day: the Clock, the Proctor and the English"	Chapter 12

Anthropic's own pages, by name: the exam guide and the FAQ, both linked from the Associate exam page in the Partner Academy, and Pearson's online-proctoring page for Anthropic. Read the guide's domain table once more on the night before.

Crash Course, Appendix A.
